The Mission of The Wilson School:

To prepare students for success in an ever-changing world, our exceptional educators combine classic and innovative methods within a warm, nurturing environment.

Providing our students:

- An excellent academic education
- A belief in their creative abilities
- An understanding of their social responsibilities
- A respect for and value of differences in people and points of view
- A sense of responsibility for their personal and physical well-being
- A foundation for lifelong learning
